Visiting or travelling to Preston

Car

M6 (J31)

Exit the M6 at jct 31, follow A6 signs to the roundabout at the cemetery and turn right into the A5085 (Blackpool Road). Proceed for three or four miles following "Riversway/Docklands" signs, turning left at the traffic lights into Pedders lane. At the traffic lights at the end of Pedders Lane, go straight across Riversway/Watery Lane junction into the Docklands, at the mini roundabout turn right into Navigation Way. Head across the swing bridge and you will see flats and houses on your left, take the first left after the houses and this is the entrance to our car park.

Source: KPMG LLP (UK)

M6(J32) and M55(J1)

Filter off and follow A6 signs, heading south towards Preston. At 3rd set of traffic lights turn right into A5085 (Blackpool Road). Follow "Riversway/Docklands" signs, turning left at the traffic lights into Pedders Lane, then follow directions as above.

M61(J9), M6(J28a) and M65

Turn left on M65 to Preston. At end of motorway follow signs for A582/583 (Lytham) along Lostock Lane – Farington Road – Flensberg Way and on to the Penwortham by-pass. Get into left hand lane over River Ribble and filter down onto Channel Way. Turn left at roundabout then take first right into Navigation Way. The third entrance on the right is the entrance to our car park.

Rail

The nearest station is Preston Station, which is a five minute taxi journey to the office or a twenty minute walk. For walking, exit the station and turn left down Fishergate Hill. When you reach the bottom of the road, at the lights turn right into Strand Road. At the first set of lights turn left into Port Way, take the first left into Navigation Way and the third right is the entrance to our car park.

Parking

Preston office has a private car park outside the office with plenty of spaces, so there is no need to book a space when visiting the office. If the private car park is full there is additional parking available on the shared car park within the office complex, in front of KPMG's private car park.
